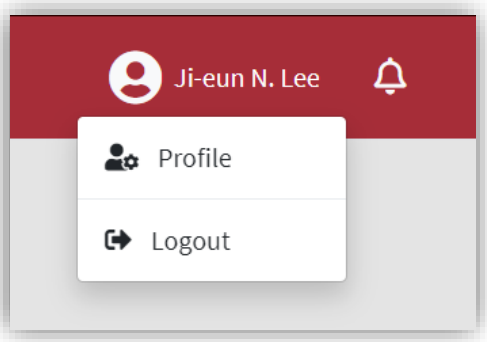
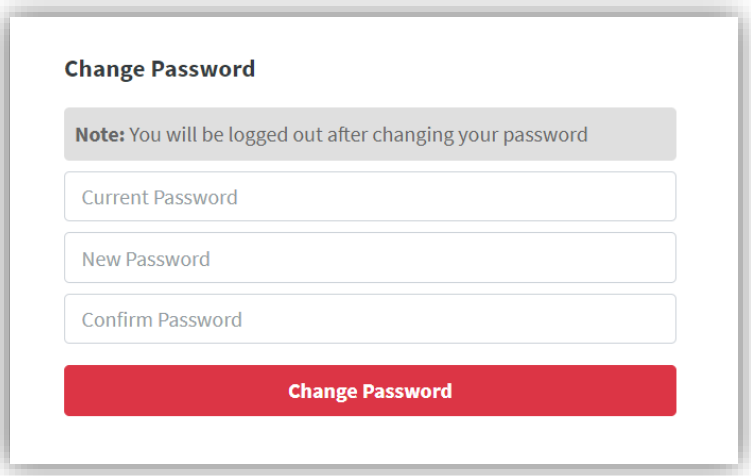
Change your password

1. Click the user icon on the top navigation bar and select profile in the dropdown menu.

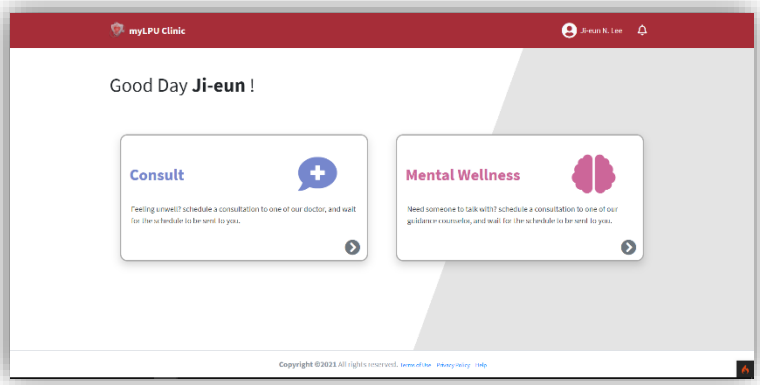


2. Type your Current Password
3. Type your New Password (Must have 8 or more characters with a mix of letters, numbers & symbols and must be different from the current one).
4. Type your New Password again
5. Select Change Password

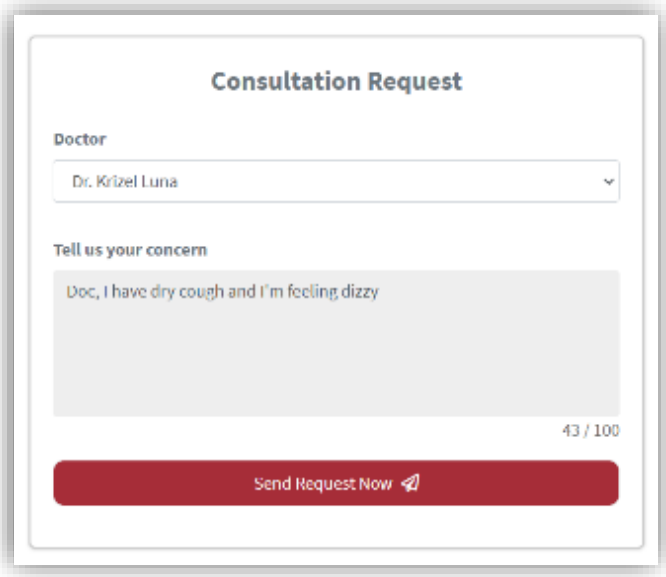


Request for Consultation

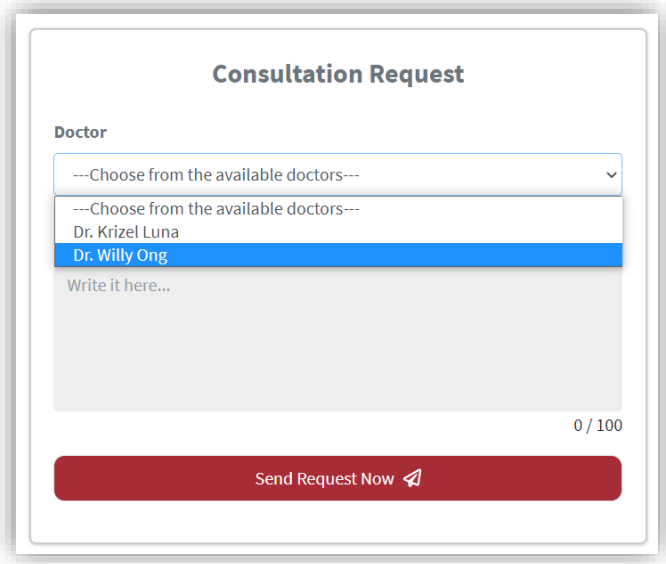
1. On your Home Page, you can either choose Consultation or Mental Wellness.



2. Once inside either of the modules, select from one of the available doctor/guidance counselors in the dropdown menu.



3. Write your concern on the text box provided
4. Select Send Request Now

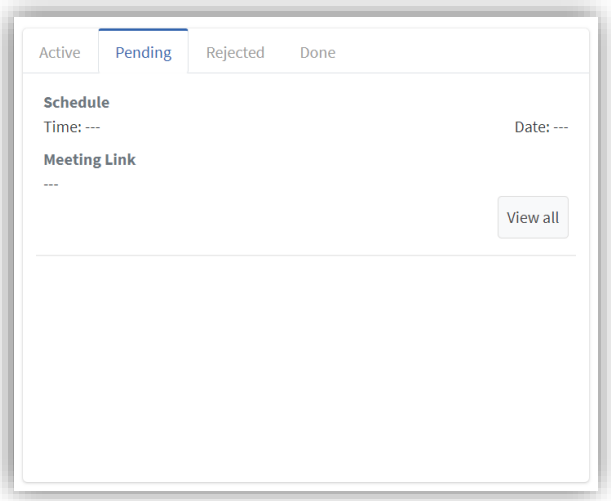


Note: You can't send a request if you have an active or pending request.

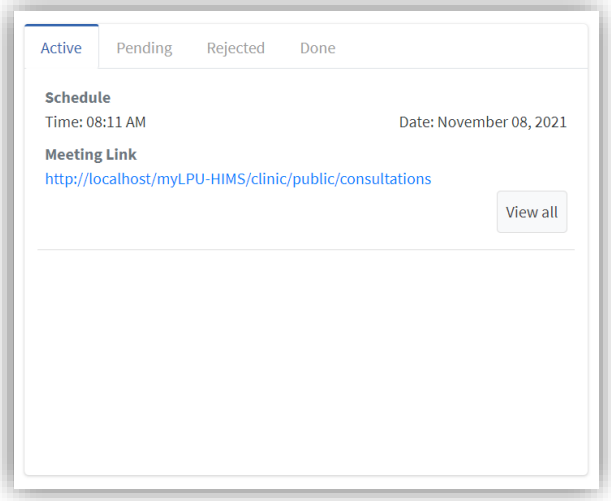
Consultation Status Tabs

There are 4 Status Tabs under each consultation modules: Active, Pending, Rejected, and Done.

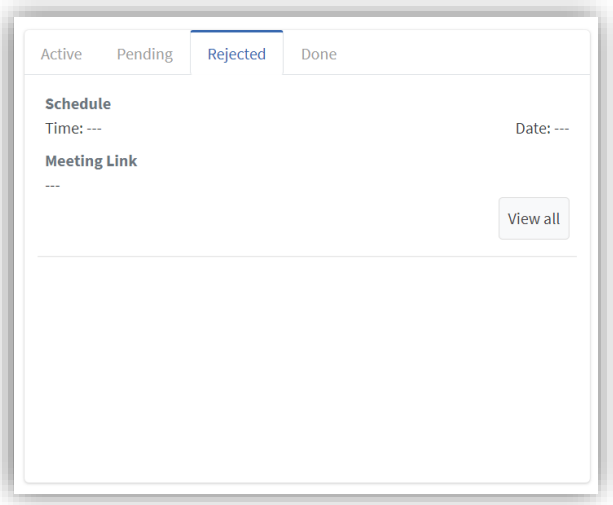
Pending – you have already requested but your request is not yet accepted.



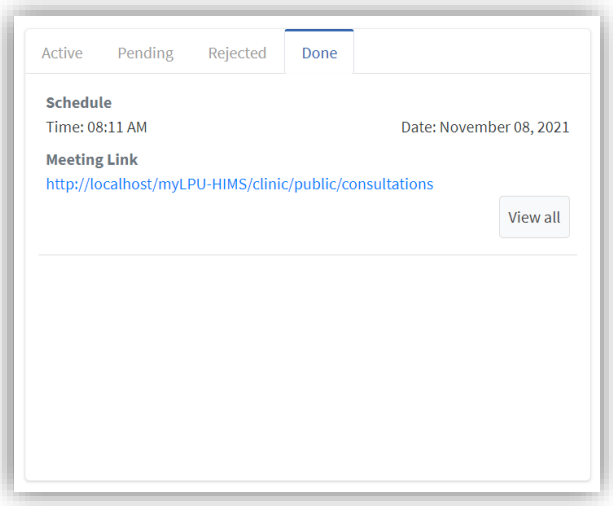
Active – your request is already accepted, and the schedule is sent to you.



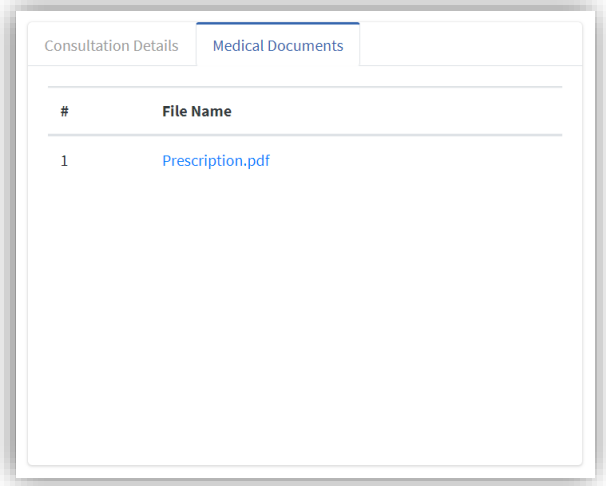
Rejected – your request is declined depending on the concern you sent.



Done – finished consultation will go here, and this is where you can view the medical files sent to you after the consultation (Ex. Prescription/Referral).



Note: The view all button under each status tab will allow you to view all the details on each status of your consultation.

View/Download Medical Files


1. To view your medical files, go to Consultation/Mental Wellness module. Navigate to Consultation Tabs.
2. Go to Done > View all > Medical Documents tab.
